INFORMATION

When we receive a signed PO and BQA training Roster we will establish your testing course and they will be available for your students when you are ready to test.

Please email Purchase Order and BQA Training Roster to info@getshopsafe.com

On the PO please include email to send invoice and Approved BQA Instructor's name

NOTES:

Checks should be made out to "A&G Safety Solution's, LLC"

Test Specifics:

Curriculum must be delivered by a Certified BQA Trainer that has been certified under the guidance and approval of the Virginia Extension Youth Animal Science Specialist and utilizing approved Beef Quality Assurance Trainer Modules. Training requirements are established by the National Beef Quality Assurance Program <https://www.bqa.org/>

Students must receive the curriculum from a BQA Certified Instructor (as outlined above) PRIOR to taking the credential exam.

Teachers/Trainers are NOT allowed to take the student credential exam at any time.
